STRONG HIGH SCHOOL

The High School Campus

Our Alma Mater

Hark the sound of Bulldogs voices;
Sounding so true blue,
Singing Strong High Schools praises;
Ringing clear and true.

Hail to the colors Blue and Gold,
Long may they ever shine;
While we sing our High Schools praises;
Alma Mater-Mine.

GEORGE E. WATTS
Principal

We, the seniors of '55, dedicate our annual to George E. Watts. Of all the blessings which can befall a community, there is none greater than the choice of it by a good man for his home, for the example of such a man sets a standard of conduct, and his influence tends to lift those who come within its circle to his own level. In the quiet annals of this little town the incident of chief importance to its inhabitants was its selection, in 1947, by George E. Watts for his home. Hither for eight years he showed himself the best of neighbors, and to exhibit those virtues and charms which would have made him beloved and admired by any society which he might have chosen to adorn.
